Our E-Learning Journey

The collage features 15 individual photographs of children participating in e-learning activities. The photos are arranged in a grid-like fashion, with some images being larger than others. The children are shown engaged in various tasks such as cutting, writing, painting, and holding up their work. The entire collage is surrounded by a vibrant border of colorful hands, and the title 'Our E-Learning Journey' is prominently displayed at the top.

Our Appreciation

Dear Parents,

As we come to an end to our E-Learning Journey, We the Team of **EYEG** would like to say a big **Thank You** to each one of you for supporting your child's learning journey with us.

We understand that it's been a difficult time and it was not easy for you and your child to learn from home. Suddenly you had to take on the role of active educators, but together we achieved the **Best**. The E-Learning Journey saw our students and parents engaged with our Eid Celebrations, Father's Day Celebrations, Graduation Ceremony and End of the Year Party. We truly appreciate your support.

Now the Summer Vacation is here. Enjoy your Holidays. We wish you a wonderful, safe, fun holiday and looking forward to your return.

EYEG Team
